BOOK SYNOPSIS

"This writing has to do with some things I saw, felt, and was part of": with quiet modesty, David Jones begins a work that is among the most powerful imaginative efforts to grapple with the carnage of the First World War, a book celebrated by W.B. Yeats and T.S. Eliot as one of the masterpieces of modern literature. Fusing poetry and prose, gutter talk and high music, wartime terror and ancient myth, Jones, who served as an infantryman on the Western Front, presents a picture at once panoramic and intimate of a world of interminable waiting and unforeseen death. And yet throughout he remains alert to the flashes of humanity that light up the wasteland of war.

IN PARENTHESIS NEW YORK REVIEW BOOKS - Are you looking for Ebook In Parenthesis New York Review Books ? You will be glad to know that right now In Parenthesis New York Review Books is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.
