## BOOK SYNOPSIS

Revised and updated third edition of the established standard book on Port. Long the Port guide for The International Wine and Food Society and required reading for the Wine Education Trust diplomas. As the world demand and prices for Port continue to climb, as new Quintas and shippers emerge, updated information from an established authority becomes indispensable. The fascinating history of the region and the trade along with detailed descriptions of the viticulture and winemaking techniques are covered. Special attention has been given to tasting notes and comments on new labels and through updating of the Vintage charts and the aging potential of the great ports. New information is provided on the changes in ownership, the role of great wine families, world market trends and viticultural and enological technical advances. Updated tips on touring the region with sound recommendations for dining and lodging. Valuable notes on tasting and evaluating Port, Port with food and "Ports" from other countries are included.
