BOOK SYNOPSIS

In the town of Haven Point, love can be just a wish—and one magical kiss—away... Computer-tech millionaire Bowie Callahan is about the last person that schoolteacher Katrina Bailey wants to work for. As far as she can see, hes arrogant, entitled and not up to the task of caring for his young half brother, Milo. But Kat is, especially if it brings her closer to her goal of adopting an orphaned little girl. And as her kindness and patience work wonders with Milo, she realizes theres more to sexy, wary Bo than shed ever realized. Bo never imagined hed be tasked with caring for a sibling he didnt know existed. Then again, he never pictured himself impulsively kissing vibrant, compassionate Katrina in the moonlight. Now hes ready to make her dream of family come true...and hoping theres room in it for him, too...
